## ANTARCTICA EXPRESS AIR CRUISE

Our Antarctica Express Air-Cruise was designed for travelers looking for a quick and affordable visit to the White Continent. This expedition offers you the chance to visit Cape Horn, cruise the Drake Passage, land in Antarctica, and fly back.

### ITINERARY

Day 1: Start of the Air-Cruise

[wildearth-travel.com](http://wildearth-travel.com)

[info@wildearth-travel.com](mailto:info@wildearth-travel.com)

Your journey begins in Ushuaia, Argentina, at the pier. Board your ship in the afternoon and sail along the Beagle Channel towards Puerto Williams, Chile, the southernmost town in the world. Explore the surroundings before setting sail to Cape Horn.

## Day 2: Cape Horn and Drake Passage

After an overnight crossing of Nassau Bay, you awake in full view of legendary Cape Horn! Weather permitting, board a Zodiac and be one of the few privileged adventurers to step foot on this famous and rarely visited island. Back on board, set sail towards Antarctica and cross the famous passage named in honor of Sir Francis Drake, the great 16th-century British explorer.

## Days 3: Drake Passage

As you sail through the Drake Passage en route to King George Island, in the South Shetland Islands, attend an engaging program of lectures and presentations. In the company of expert guides, watch for wildlife from the lounge or the outside decks. You may spot magnificent seabirds, such as albatrosses and petrels, as well as different species of whales on their way south to Antarctica.

## Day 4: Drake Passage and Antarctica

After crossing the Antarctic Convergence, the environment changes noticeably. Keep your camera ready, as this is the time to watch for the first icebergs and the first sight of Antarctic land. Reaching the South Shetland Islands, sail in ice-filled bays, while enjoying the company of seabirds, penguins, seals, and whales. Board a Zodiac for your first memorable shore visit to a penguin colony. Exploration will continue well into the evening taking advantage of the long Antarctic daylight.

## Day 5: Antarctica and scheduled return flight

Upon reaching King George Island, disembark at Fildes Bay. A 2-km (1.25-mile) walk takes you through Chile's Frei Station and Russia's Bellingshausen Station to the aircraft. Bid farewell to Antarctica as you board

the flight back to Punta Arenas. Upon arrival, transfer to your hotel for the night. (Note: Meals in Punta Arenas are at your leisure and not included in the program).

## Day 6: End of the Air-Cruise

After breakfast, transfer to the Punta Arenas airport for your onward flight.

## Please Note:

Every effort will be made to adhere to the planned program. However, with this type of adventurous travel to Antarctica, changes to the itinerary may occur due to severe and unpredictable weather. We need to emphasize the fact that weather conditions are unpredictable and that safety is always the paramount concern on any Antarctic voyage.

## YOUR SHIP: MAGELLAN DISCOVERER

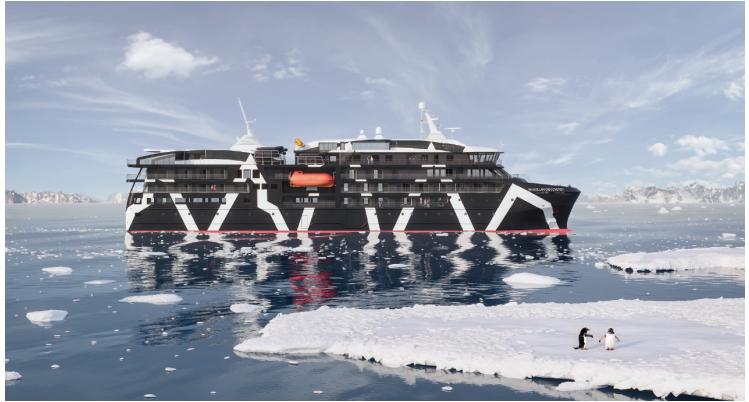

**YOUR SHIP:** **Magellan Discoverer**

**VESSEL TYPE:** **Small Ship Expedition**

**LENGTH:** **94 m**

**PASSENGER CAPACITY:** **76**

**BUILT/REFURBISHED:** **2026**

We are thrilled to announce an exciting development in the world of Antarctic exploration. Building on our legacy of providing boutique, small-ship expeditions to the White Continent, Antarctica21 is proud to introduce the latest addition to our fleet: Magellan Discoverer, set to embark on voyages in the 2026-27 Antarctic season.

Magellan Discoverer is a promise of innovative design and environmental stewardship, crafted as a sister ship to the esteemed Magellan Explorer. While mirroring its sibling in elegance and style, Magellan Discoverer charts its own course with remarkable enhancements. Magellan Discoverer will be built at the ASENAV shipyard in Valdivia, Chile, the same shipyard that built Magellan Explorer.
