

### **EXPEDITION ANTARCTICA WITH CAPE HORN**

This cruise delivers emotional highlights at the southern end of the world, starting with an attempted landing at Cape Horn and extending to the Antarctic Peninsula, where rock and ice create breathtaking natural spectacles. Key experiences include a flexible route through Antarctica's white wonderland, spotting penguins, whales, seals, and seabirds, and marveling at majestic glaciers and towering icebergs during spectacular passages. Active adventures like Zodiac rides, landings, and hikes, paired with expert-led presentations, precaps, and recaps, deepen the journey, with stops at South Georgia, the Falklands, and the South Shetland and Orkney Islands, beginning and ending in Buenos Aires.

#### **ITINERARY**

Tue, 03.02.2026 Charter flight from Buenos Aires to Ushuaia/Argentina

Departure 18.00 hrs

Wed, 04.02.2026 Cape Horn/Chile

The legendary end of the world: Cape Horn. An exciting adventure awaits you at the legendary headland, which most other ships can only pass. If the weather permits a Zodiac landing, you can count yourself among the seasoned explorers who have set foot on this historic cape.

Thu, 05.02.2026 Sailing through the Drake Passage

Fri, 06.02.2026 - Wed, 11.02.2026 South Shetland Islands, Antarctic Peninsula, South Orkney Islands

Experience the South Shetland Islands between ice and awe intensively - on deck as well as by Zodiac. Off the Antarctic Peninsula, your ship sails into the centre of the flooded caldera of Deception Island. Majestic glaciers and gigantic icebergs shimmer in Paradise Bay. The Lemaire Channel is also impressive, flanked by mighty mountains up to 1,000 m (3,281 ft) high. Icebergs ahead: at the bow and on the open deck areas, you can enjoy the best views of the white wonderland. You may even spot the flukes of blue whales, sperm whales and humpback whales as well as orcas. The South Orkney Islands are a lonely, glaciated world of icy wilderness located in the Scotia Sea. They are home to chinstrap and Adelie penguins, which can be spotted here. With luck, you'll also see icebergs drifting off the rugged coast. Find out how the polar explorers live at the Argentinian Orcadas Station (depending on weather and authorisation).

Thu, 12.02.2026 Relaxation at sea

Fri, 13.02.2026 - Sat, 14.02.2026 South Georgia

In South Gorgia live Hundreds of thousands of king penguins side by side with elephant seals and fur seals on the coasts and cliffs - overwhelming natural spectacles that you can observe from a respectful distance after landing on one of the black shores. In addition, trace the footsteps of the explorer Sir Ernest Shackleton, who found his final resting place here in 1922.

Sun, 15.02.2026 - Mon, 16.02.2026 Relaxation at sea

Tue, 17.02.2026 - Wed, 18.02.2026 Falkland Islands

Experience this bird paradise the Falkland Islands, which is home to around 60 species, at close range during your Zodiac landings. Observe rockhopper and Magellanic penguins, who share their habitat with kelp geese, striated caracaras, king cormorants as well as black-browed and wandering albatrosses.

Thu, 19.02.2026 - Sat, 21.02.2026 Relaxation at sea

Sun, 22.02.2026 Buenos Aires/Argentina

Arrival 19.00 hrs Overnight stay on board

Argentina's vibrant capital is a fascinating and inspiring metropolis - with a lively atmosphere and rich in culture. The elegant boulevards, lined with magnificent buildings in the European style, reflect the city's heritage as a former centre of Latin American luxury. From passionate tango rhythms in the historic quarters of the city to the delicious aromas pervading the delightful cafes, Buenos Aires is a melting pot of art, music and gastronomy that captivates every visitor.
