Day 0 - 1 Pre Cruise and Ushuaia

Nestled in the foothills of the snow-capped Martial Range, Ushuaia's colourful streets and mismatched buildings cascade from the imposing mountains before coming to an abrupt halt at the shores of the Beagle Channel. As one of

the world's southernmost cities, Ushuaia carries its 'end of the world' reputation well. The moody weather and dramatic surroundings certainly help. Board your boutique ship before departing for your journey through one of the most captivating wilderness regions of the world.

Day 2 At sea

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

Day 3 West Point Island & Saunders Island

Birdlife is the big draw on this lush sheep-farming island, where thousands of rams and ewes roam. Settled by British explorers in 1765, the island's unique scenery includes golden sand beaches filled with the cacophony of rockhopper, gentoo and Magellanic penguin colonies, and the pillar-shaped nests of black-browed albatross. Nine of the Falklands' 14 endemic plants, including silvery buttercup and hairy daisy, grow here and are a real treat.

Black-browed albatross grace the skies over this remote Falkland Island, while Commerson's dolphins play in its waters. With a sparse population of people and sheep, the island is also a sanctuary for fur seals, rockhopper penguins, Magellanic penguins and imperial cormorants, nesting amid its cliffs and the impressive Cliff Mountain. Hiking through the moss-covered terrain unveils beautiful wildflowers like pink-petaled Felton's.

Day 4 Port Stanley

Anyone familiar with Britain's trademark red post boxes might spot a resemblance in this British outpost. Port Stanley, on East Falkland, is the tiny capital of the Falkland Islands and is small enough to get around on foot. The Historic Dockyard Museum is devoted to maritime history and exploration. Magellanic penguins gather on the beach at nearby Gypsy Cove, and sea lions and dolphins frolic in the harbour.

Days 7-10 South Georgia

Often called the 'Galapagos of the Poles,' South Georgia has a number of landing sites with tens of thousands of King Penguins and gentoo penguins, making up some of the largest populations in the world alongside harrumphing elephant seals. Among its remarkable sites is Grytviken, the historic whaling station where legendary British explorer Ernest Shackleton (1874-1922) is laid to rest.

Days 12 - 16 Antarctic Peninsula

Among captivating glaciers, majestic icebergs and snowy islands, the Antarctic Peninsula is where most visitors to the White Continent live their Antarctica dream. It's the most accessible part, with scientific bases and incredible scenery, like the photogenic Lemaire Channel. Shore excursions might include Mikkelsen Harbour, where among gentoo penguins, snowy sheathbills and skuas, Antarctic Weddell seals haul out.
