FALKLANDS, SOUTH GEORGIA & ANTARCTICA SEA VOYAGE

Sail on board Magellan Explorer to the Falkland Islands (Las Malvinas), South Georgia, and Antarctica with this 20-day expedition. Embark in Punta Arenas, Chile, and navigate to the Falklands, where you will enjoy watching interesting native wildlife like the Rockhopper Penguin and Black-browed albatrosses. Connect with the locals who have called this archipelago home for generations. From there, set sail for South Georgia. Visit one of the world's largest king penguin colonies and watch elephant seals relaxing on the shores. Then cruise along the Antarctic Peninsula and among the South Shetland Islands, visiting sites in the Antarctic Sound and in the Gerlache Strait.

Day 2 At Sea

Enjoy the ship's hospitality as we make our way to the Falklands (Malvinas). Our engaging series of lectures and presentations begins.

Day 3 Saunders Island, Carcass Island

During a morning visit to Saunders Island, we enjoy the long white-sand beach. During this wilderness experience, the main attractions are observing rockhopper penguins, nesting black-browed albatross, and sub-Antarctic gentoo penguins. In the afternoon, we visit Carcass Island. There is an option for an easy hike to the settlement, bird watching, and a typical Falklands tea experience.

Day 4 Port Stanley

Join our expedition team on guided walking tours of Port Stanley or Gipsy Cove. Or explore on your own and absorb the atmosphere of this isolated outpost in the South Atlantic.

Day 5 -6 At Sea

Day 7 Elsehul Bay

Our first landing is at Grytviken. We clear Customs and then visit the historical site with the South Georgia Museum and Ernest Shackleton's grave. In the afternoon, we land at Fortuna Bay / Stromness to see king penguins. Here we learn more about Shackleton and his expedition, and there is also an optional 2-3 hour "Shackleton walk."
