QUEST FOR WEDDELL SEA EXPEDITION CRUISE

A deeper dive into Antarctica. On this once-in-a-lifetime 12-day adventure aboard Ocean Albatros, you'll travel southward through the ice-filled Antarctic Sound with a goal of reaching the Weddell Sea, before heading west and into the magical inlets and bays of the Antarctica Peninsula. Along the way, you'll be treated to some of Antarctica's most striking scenery, navigating through plentiful sea ice as you encounter massive tabular icebergs, vast Adelie penguin colonies, and likely encounters with Humpback whales, seals, and an array of seabirds.

ITINERARY

Day 1: Arrive in and explore Ushuaia

After a friendly welcome at the airport and a transfer to the Las Hayas Ushuaia Resort, take some time to unwind or explore the southernmost city in the world, Ushuaia. Our evening briefing is your opportunity to ask questions and meet some of your fellow explorers.

Day 2: All aboard!

Spend your morning relaxing at the hotel, visiting a museum, or exploring the shops in Ushuaia, before our mid-afternoon escort to the ship. Our Expedition Team and ship staff will welcome you on board and get you settled in, followed by a safety and orientation briefing and our Captain's welcome dinner. We're on our way to Antarctica!

Days 3 - 4: Drake Passage

Join our Polar Experts as they share their vast knowledge of Antarctica, from its enchanting wildlife to its bold history. Participate in our pioneering Citizen Science program or sit back and take in this fabled journey while catching glimpses of rarely seen wildlife. Keep your binoculars handy to identify the many seabirds that escort our ship as we cross the Antarctic Convergence into Antarctica's waters and noticeably cooler temperatures.

Days 5 - 6: Antarctic Sound & Weddell Sea

We travel into the captivating region at the northeastern tip of the continent, the Antarctic Sound, the gateway to the Weddell Sea. This area boasts some of Antarctica's most striking scenery, from the vast Adelie Penguin colonies at Hope Bay and Devil's Island, to the dramatic volcanic cliffs at Brown Bluff. Continuing southward toward the Weddell Sea, we'll likely encounter immense tabular icebergs, as well as a diverse array of wildlife, including penguins, seals, seabirds, and humpback whales.

Days 7 - 9: Antarctic Peninsula

In the days ahead, we venture further west along the Antarctic Peninsula into the Gerlache Strait region, consisting of the 'spine' of the Antarctic Peninsula and a large number of mountainous glaciated islands, while offering a plethora of iconic Antarctic experiences. From Zodiac cruises in Paradise Bay, to witnessing penguins nesting on Cuverville Island, each potential stop promises awe-inspiring encounters. Explore historic huts at Damoy Point, witness humpback whales in Wilhelmina Bay, and marvel at the jaw-dropping scenery of the Lemaire Channel.

Day 10: South Shetland Islands

Despite the inhospitable elements, the South Shetland Islands boast a remarkable richness of wildlife, with numerous colonies of Gentoo and Chinstrap Penguins dotting the island shores, accompanied by an array of formidable seabirds like the predatory Giant Petrels. The ice-capped peaks of Livingstone, Greenwich, and King George Islands offer a stunning backdrop to explore. Experience the eerie landscape of Deception Island, an active volcanic crater with black steaming sands and rusting ruins, or witness the bustling penguin colonies on Aitcho and Half Moon Islands.

Days 11 - 12: Drake Passage

We leave this magical place and make our way north, once again crossing the legendary Drake Passage. We have one last hurrah as we celebrate the conclusion of our expedition with a special slideshow and a final meal together.

Day 13 Ushuaia disembarkation

With huge smiles on weary, content faces, we disembark in the morning, letting you catch a flight to Buenos Aires or stay in Ushuaia for more sights and adventure.

YOUR SHIP: OCEAN ALBATROS

YOUR SHIP:	Ocean Albatros
VESSEL TYPE:	Luxury Expedition
LENGTH:	104.4 m
PASSENGER CAPACITY:	169 (95 cabins)
BUILT/REFURBISHED:	2022

The Ocean Albatros, sistership to the Ocean Victory, will join the fleet of Albatros Expeditions in November 2022.

The Ocean Albatros will be deployed to a large selection of expedition cruise destinations, Antarctica, the Arctic, any various exciting new destinations in between.

With a total of 95 comfortable staterooms and suites, all with unobstructed sea view, most with their own balcony, the Ocean Albatros will definitely become one of the most popular expedition cruise vessels in the world. Like its sistership the Ocean Victory it offers two restaurants, a wellness area, an Albatros Nordic Bar, an open deck dining facility, a modern lecture lounge, and other state-of-the-art amenities. The vessel will have more than a 50% lower carbon footprint than traditional expedition vessels and be one of the most environmentally friendly, implementing the Green Initiative Program, ensuring both absolute comfort and sustainability for our guests. Unlike the Ocean Victory, the Ocean Albatros will also offer a unique panorama sauna, and a total of 12 dedicated solo travel cabins without a single-supplement.

BRIDGE

Due to its important role as a control center for all nautical and

technical processes, the ship's bridge is a vital, sensitive place. Therefore, the bridge may not be accessible to the public at all times. Conditions permitting, we will be happy to welcome you into the bridge for a visit. Guests must be accompanied by the master or our expedition leader.

STATEROOM SERVICE

Your stateroom is serviced daily. We provide a turn-down service. We provide meal to room only for serious cases of guest being sick. Our suites will have VIP services.

ZODIAC LANDINGS

One feature of our expedition cruises includes landings and excursions aboard Ocean Albatros's fleet of 18 inflatable, motorized rubber "Zodiac" boats. The Zodiac brand has earned a well-deserved reputation as the sturdiest and safest small watercraft available. These boats have a low draft and great stability. Zodiacs are constructed for professional use and are outfitted with a top-quality outboard engine, yet their design minimally impacts the environment.

The Zodiacs are designed to provide unrestricted access to the world's last great frontier. Their versatility enables us to make landfall on remote shores, cruise along awe-inspiring coastlines and share breathtakingly close encounters with whales, seals, penguins, seabirds and more. We will come within arm's reach of icebergs and set foot on land discovered by pioneering explorers just over a century ago.

Your safety and comfort are our #1 priority, and your expedition leader will carefully plan for as many Zodiac excursions as possible, dependent upon the local weather and prevailing conditions. In each case, the expedition leader makes the final

Wild Earth Travel

Small Ships, Big Adventures

wildearth-travel.com

info@wildearth-travel.com

decision if the landing is possible or not. Safety regulations apply on landings. All guests receive a mandatory instruction of the safety guidelines. Life jackets are mandatory to wear.

Please note, we highly recommend the use of waterproof bags in order to protect your personal camera or binoculars, as both hands must be free of everything during boarding. Participation is fairly easy and comfortable for able-bodied guests but can be more challenging for those with physical handicaps.

GRATUITIES

Following international standards in the service industry, it is customary to leave gratuity for the ship's crew at the end of the voyage. All gratuities will be divided among the crew. Typically, a recommended amount is approximately 13.5 USD per person per day. Gratuity is, of course, not required and any gratuity payments are voluntary.

DRESS CODE

The dress code on board is casual. Ties, jackets and evening dresses you may leave at home. It is rather more important to wear the right clothes in order to adapt to the different weather conditions. We recommend comfortable, breathable, waterproof and windproof clothing. Also, you should have a pair of gloves, thermal underwear and sturdy footwear in your luggage. For the captains and farewell cocktail, we recommend a smart casual dress style.

INTERNET / PHONE

Keep in mind, we will be cruising in a very remote region of the world. Where accessible, internet access is available for an extra charge. Mobile phone reception may be possible in select regions along our route. For further details please contact your mobile phone operator. Prices can be found in the information folder in your state room. Please ensure that your 'Data Roaming' function is switched off.

RECEPTION

The daily office hours of the board reception are from 06:00 until 23:00.

ALBATROS OCEAN SHOP

The selection of items available for purchase varies by ship, and may include a range of warm and practical clothing, as well as souvenirs, local arts and postcards at reasonable prices. A small selection of soap, toothpaste and other personal effects are also sold.

HEALTH / MEDICAL EMERGENCY

Each of our vessels has a small medical facility equipped with the necessary equipment and medicine to handle small emergencies. The infirmary is always staffed by a professionally licensed, English-speaking physician and nurse. Should a serious incident occur, the nearest hospital will be contacted. All guests must have personal travel/health insurance.

Although we do not have an official requirement regarding personal fitness, you should be able to move on board and ashore without the help of others. Please be aware that the ship does not provide wheelchair accessible state rooms.

Due to safety reasons a cruise is only possible for pregnant women until the 24th week of pregnancy. The state of pregnancy must be presented by a medical certificate.

PHYSICAL DISABILITIES / WHEELCHAIR ACCESSIBILITY

Guests with physical disabilities are recommended to travel with an accompanying person. The processes on board should be handled without external help. The gangway can be - depending on the individual disability - a challenge. The angle of inclination of the gangway varies due to tide and different circumstances in the respective port. Please note that the guest's participation in shore excursions as well as the (dis-)embarkation by Zodiac can

Wild Earth Travel

Small Ships, Big Adventures

wildearth-travel.com

info@wildearth-travel.com

be denied by the expedition leader due to security reasons. The instructions of the expedition leader must be followed. The ship is not suitable for wheelchairs.

SEASICKNESS / STABILISATORS

The ship is equipped with stabilizers in order to reduce the ship's roll. However, these expeditions are hosted in remote regions, and it is possible to periodically encounter changing environments and climate patterns, including rough seas and large swells. Seasickness patches (Scopoderm or similar) work solely or in part to help cure nausea for most people. These medicines can cause sleepiness. If you are prone to motion sickness, consult with your doctor prior to departure to help ensure your comfort while travelling.

SPECIAL DIETARY REQUESTS

All meals on board the vessel is chef-prepared. If you have special dietary requirements (food allergies, intolerances, health conditions or religious preferences), please inform us as early as possible - ideally, no later than 2 weeks before departure. In order to ensure efficient service, please re-confirm your requirements with the crew upon boarding the ship.

LAUNDRY

If you wish to have some laundry done while aboard the ship, laundry service is available for an additional fee.

tional fee.
